NEED HELP

Finally, Make sure the correctness of the content in your design files. Hopes Game only verifies whether or not the files are fit for producing, while the content correctness will not be checked in our process. So please double check this details when received E-proofs from Hopes Game.

Hope that helps and please don't hesitate to contact with your project manager from Hopes game if you need any help. So you could also ask with us directly if you don't want to check so many details as above:)
